DONATIONS

It's Party Time! appreciates the communities and individuals that support us and love to help make every event memorable. As you can imagine, we receive several requests every week for support in the form of donations, sponsorships and advertising. Unfortunately, it is not possible for us to honor all requests nor do we provide monetary donations.

The majority of all events are in need of some form of tableware and décor to coordinate with their theme. We would like to offer an option that can help ease the expenses for your benefit. Donations from It's Party Time! will be based on purchases made throughout the year by group or organization requesting the donation.

Loyalty Cards will be given to any non-profit organization to distribute to those who want to help their group or to any regular customer who wants their stamps put towards their favorite organization.

All earned \$10 coupons will be used as donation towards their event for supplies, decorations, balloons or rentals. Plus, It's Party Time! will match earned coupon total with Air Filled Balloon Décor for their event.

Example: 5 people earn \$10 coupon which = \$50 in coupons valid towards party supplies and decorations needed for event. Plus It's Party will donate \$50 worth of Air Filled Balloon Décor for same event.

Donations do not include 'Travel and Setup Fees'. This program cannot be redeemed for cash or has any cash value. The loyalty card program cannot be redeemed with any other offers, discounts or programs.
